Dear John,

Reference is made to your telephone conversation with Jim on 28 April.

The purpose of this letter is to confirm the instructions and approvals given in the referenced conversation. Accordingly, the following approvals and/or instruction are given.

a. Approval of contractor's document PP-0-104M is granted constituting completion of the basic contract work scope and all changes. Contractor is requested to forward two (2) additional copies of this report to Project Headquarters.

b. Contractor is relieved of all responsibility and accountability of models and materials left at Indian Springs AF Base.

c. Contractor is authorized to retain all wind tunnel models generated under the contract or furnished as GPP.

d. Contractor is directed to dispose of all materials, parts, tooling and fixtures of a non-sensitive nature by scrapping or transfer to Government CPTF Inventories for use on other Government contracts. Contractor will furnish a certification when above has been accomplished.

e. Contractor is directed to destroy all electronic models and sensitive materials, parts and tooling. Scrapping of the unrecognizable residue is authorized.

f. Contractor will furnish one copy of all reports generated under the contract and not heretofore submitted. Contractor may also retain all drawings, design and technical data generated under the contract in a "sanitized" form. Contractor will inform the Contracting Officer when such data has been "sanitized" in order that it may be reviewed by the Contracting Officer's representative for security.

g. Contractor is authorized to retain the following facility type items acquired under and charged to the contract.

1. Bruning Traveling Light Vacuum Frame.
2. Printer, White-Peck and Harvey Lancer Model.

Accountability for these items will be transferred to the existing Air Force Facilities Contract in a secure manner. Contractor will furnish a statement when the above has been accomplished. All other facility type items will be packed for shipment. Contractor will advise the Contracting Officer when such items are ready and shipping instructions will be issued.

h. Contractor will take all other action as necessary to rapidly close out the contract and furnish final cost data and its claim.

If you have any questions on the above, please call.

Sincerely,

*PICKED*
